

“THANK YOU!!! THANK YOU!! THANK YOU!! BEYOND
"WOW"!! What a party. You completely BLEW US AWAY!!
Completely!! You **all** gave it your all and more! We had the most
amazing time as a family (really felt like guest at our own
function) and our friends and family could not leave the dance
floor!! At one point I looked over and everyone was dancing (kids,
adults, young, old.) - incredible!! I was overwhelmed with joy to
see how much fun everyone was having!!! Your dancers, your
staff, the Blue Bounce Guy, the 2 break dancers were. THE BEST!
Truly I mean that from the bottom of the heart. LOVED every
minute. Thank you for everything - for all the extra dancers and
for truly beyond "WOWing us"!!! Beyond **high** today. On cloud 9
- I couldn't have asked for anything better in terms of
entertainment - you really are the **best**! Goes without saying that I
will recommend you to **everyone** I know!!”
