

“On behalf of the Faywood Home and School Association, we wanted to thank you for your recent support the day of our school fun fair. For the first time since we have been organizing this fair, we were faced with the challenge of having to deal with extraordinary weather conditions for this time of year and the tough decision to move almost everything indoors. Tiffany and her team were incredible. She took the time to familiarize herself with all our sponsors and the program, so that people could navigate themselves throughout all the stations in the school. She kept the spirit high and literally brought the sunshine indoors! She showed amazing professionalism by knowing when to, "share the limelight" with the other entertainment providers and when Bounce needed to instill energy into the building. We look forward to many more years planning incredible events together. Please pass our feedback and gratitude on to your incredible team.”
