

“Dear Aaron, Kyle, Fedor, Paige & Dancers, Thank you so much for such an amazing night at Tal's Bar Mitzvah celebration. It would not have been the same without Bounce. Kyle, your high energy is contagious and you really made the night stay on a high. You promised a great party and delivered an amazing one. Specially loved the crowd surfing. Tal is still talking about it. Fedor, Thank you for mixing so amazingly. We really appreciate DJ's and know the work that goes into it. Paige, it was so great to have you a part of our final B'nei Mitzvah. You have helped us celebrate the others and we were so happy you were there to celebrate with us. Your smile is contagious. Forgive us that we can't remember the other dancer's names, but we wanted to thank you all for your energy and smiles and for getting everyone pumped at our event. Aaron, as usual Bounce delivered and amazing experience for us. You guys are Phenomenal. We are so thankful. Thank you for stopping by when we know how crazy busy it was for you.”

Our warmest thanks,
Heather, Shlomo, Tal, Elan and Daliah Bibas
