

“Marcy and I wanted to express our sincere appreciation and gratitude for the wonderful service Bounce Entertainment provided for our daughter's Bat Mitzvah at Beth Tikvah last night. You helped to bring our simcha to life! We cannot tell you how many of our guests raved about the DJ, Tiffany, the dancers, and the pianist. Tiffany, you were FABULOUS!!! Of course, this is no big surprise and this is why Tiffany was Lily's choice far before anyone was even added to the guest list! You have so much energy, rhythm and dance moves were electrifying. Aaron, she even got me (Jay) dancing! So many people came to speak to us throughout the night to pay compliments about you. The interactive dancers you brought were also really good. They helped bring our guests onto the dance floor. The room set up was out of this world! When I walked in and saw the turquoise lights around the room, the various screens and the fantastic stage, I was blown away. Aaron, during our initial meeting, you had shared some great ideas to make Lily's Bat Mitzvah extra special. You were right. For example, the pianist during cocktails, and again during dinner was such a nice touch and brought a sense of class to the evening. The extra special surprises throughout the night kept the party going and made the simcha extra special. Our experience with Bounce Entertainment was extremely positive. You know I am a BIG Bounce supporter. Marcy and I will be sharing our feelings with everyone we know and we look forward to working with Bounce at Max's Bar Mitzvah in a few years. BOUNCE ROCKS!”
